c. TCERA's Website Redesign

Ms. Warner explained to the Committee that after the 3 RFP's were received, staff decided to enlist the help of TCICT to analyze the proposals. At the end of a joint meeting to review their analysis, TCICT brought up the fact that they also offer this service. They have been doing it for years, have multiple departments that use their service and could possibly do it for free. Staff then requested a formal proposal. Ms. Warner went on to say that after reviewing their proposal and surveying other departments, TCERA staff are recommending moving forward with the proposal from TCICT.

Motion to recommend to the Board of Retirement the TCICT Website Redesign Proposal as presented.

Motion: Cook

Second: Polk

Motion approved unanimously.

d. TCERA Trustee Election – No qualified candidate

The Committee reviewed and discussed the possible options when there are no qualified candidates at the close of the second Nomination period. Staff recommends that no change be made to the Trustee Election procedures. Action should be specific to that election and to that seat. The Board does not have the authority to make an appointment except for the Retiree Alternate seat. The language in the procedures should stand as is and the Board should determine the best action to take at that time.

No action taken.
